Dear Sir:

**INFORMATION DISCLOSURE STATEMENT**

Pursuant to the provisions of 37 C.F.R. § 1.97, Applicant hereby makes of record the references set forth in the attached PTO form SB/08. No inference should be made that the cited references are in fact material, are in fact prior art, or that no better art exists. The cited patents are listed in numerical order and not in any order based on their pertinence.

No representation is made, and no representation is intended, that more relevant material does not exist, or that the order of presentation of this material in any way reflects the relative pertinence. The references cited are not intended to constitute an admission of any kind. Specifically, this presentation is not an admission that the items listed are properly citable against the above-identified application.

As this Information Disclosure Statement is being filed before the mailing of a first Office Action, it is believed no fee is due. However, if any fee (other than an issue fee) is required or any refund issued during pendency of this U. S. patent application, please charge it to 50-2180 of Paul Storm, P.C.

It is requested that the Examiner fully consider the cited references and that they be cited on the front of any patent issuing from this application.

Respectfully submitted,

STORM & HEMINGWAY, L.L.P.
